25X1 14. [REDACTED] LIAISON Received a call from Bill Bader, Senate Select Committee staff, He said they were sending us a letter today asking for access to our OLC Journals for the past ten years. I asked Bader if he had anything specific in mind and he said he did not but merely wanted to review our contacts with congressional committees. I told him I thought this information could be obtained in other forms and added that I had some difficulty with this request not the least of which was the issue of the privacy of communications with members of Congress and the sensitivity of some of our relationships with congressional committees.

25X1 15. [REDACTED] LIAISON Received a call from Frank Slatinshek, Chief Counsel, House Armed Services Committee, who had Representative Samuel Stratton (D., N. Y.) in his office at the time. Stratton was interested in knowing how the details of the new agreement with the House Select Committee would operate. Specifically he wanted to know whether any material was being deleted from the classified documents being delivered to the Committee. He also expressed a desire to talk with the Director concerning this agreement and I passed the message to the Director to give Stratton a call, which he did.

25X1 16. [REDACTED] LEGISLATION Hilda Schreiber, OMB, called and asked for an advance copy of the Agency's proposal to amend CIARDS and knock out the one percent kicker in the adjustment of annuities based on the cost of living indexes. [REDACTED] 25X1

25X1 17. [REDACTED] LIAISON Jim Michie, Senate Judiciary Subcommittee on Administrative Practice and Procedure staff, called and posed several additional requests to the letter to the Director from Senator Edward M. Kennedy (D., Mass.), dated 25 September 1975. Michie asked that we provide the 1963 Inspector General's report on drugs; the name of the present Chief, [REDACTED] VOTS in order that they may contact him 25X1 and asked that we process necessary security clearances if any of the material that the Agency must provide is classified. I told him I would check and let him know.
